**Stories**

- 1 As a Maker  
So that I can see what people are doing  
I want to see all the messages (peeps) in a browser
- 2 As a Maker  
So that I can let people know what I am doing  
I want to post a message (peep) to chatter
- 3 As a Maker  
So that I can see when people are doing things  
I want to see the date the message was posted
- 4 As a Maker  
So that I can easily see the latest peeps  
I want to see a list of peeps in reverse chronological order
- 5 As a Maker  
So that I can find relevant peeps  
I want to filter on a specific keyword
